

DISSEMINATION EVENT

Project: *TTR Railway Undertakings Lighthouse*

4 March 2026, Munich

09:00 – 11:00

Co-funded by
the European Union

Invitation

All FTE members are invited to the dissemination event for the CEF-funded project “TTR Railway Undertakings Lighthouse.”

Join on site in Munich or online as co-beneficiaries Rail Cargo Austria, DB Cargo, and ÖBB-Personenverkehr share lessons learned after the first part of the project. Presentations will help other railway undertakings and applicants prepare to implement the new processes from the Capacity Regulation – highlighting best practices and leveraging sector synergies.

To register or request the online link, please contact Lukas Del Giudice (lukas.del_giudice@forumtraineurope.eu).
